Training Supervisor Feedback on the Objectives of B.Sc. Program

Note: The result of this survey is for the sole purpose of assessment and improvement of our program.

In order to reform the Objectives of the Chem. Eng. Program at JU and establish a continuous improvement mechanism, your feedback on the following is needed. These will be processed together with feedback from other constituencies such as faculty, employers and alumni. Please rate the success of the program in the objectives suggested as well as your own suggestion of new ones.

Please complete and return by E-mail or Fax to:
