

Name

Walid Khraisat

Education – degree, discipline, institution, year

-PhD, Chalmers University of Technology, Gothenburg, Sweden 1999 - 2004

-PhD degree in materials science and engineering

I did my PhD studies in the field of powder metallurgy (liquid phase sintering)

Thesis: Tailoring of liquid phase sintering and microstructure of sintered steel

Chalmers University of Technology, Gothenburg, Sweden 1997-1999

-Master of Science in materials science and engineering

Thesis: Metalized Plastics for Space Applications , Jordan University of Science and

Technology, Irbid, Jordan 1991 - 1996

-Bachelor's degree in mechanical engineering (162 credit hours)

Academic experience – institution, rank, title (if appropriate), when, full time or part time

-Dalarna University, Borlänge, Sweden 2009-2012- assistant professor at the department of Material Science.

-Hashemite University, Zarqa, Jordan 2004-2009 -lecturer at the department of Industrial Engineering.

-University of Jordan – assistant professor

Non-academic experience – company or entity, title, brief description of position, when, full time or part time**Certifications or professional registrations****Current membership in professional organizations**

Member in the Jordanien engineering society

Member in the Swedish engineering society

Honors and awards

No honors and rewards

Service activities (within and outside of the institution)**The most important publications and presentations****2018**
