## **Managerial Experience**

- 2016-2017 Vice president, Al-Balqa Applied University
- 2007 - 2009 Vice president, The Hashemite University for administrative affairs. Among the responsibilities were the chairing of both the Central Tendering Committee and the Committee for Employees Affairs.
- 2005 - 2007 Dean Faculty of Engineering, Hashemite University. During this period, I founded two departments, architecture and computer engineering □
- 2009 – 2013 Board of Trustees member of the Middle East University.
- 2013 – 2014 Dean Faculty of Engineering, Middle East University.
- 2003 – 2005 Vice dean of Faculty of Engineering & Technology, University of Jordan.
- 1998 - 1999 Chairman of Civil Department, University of Jordan.

## **Others**

- 2011-2013 Member of Research Board, The University of Jordan
- 2012 – Sept. 2013 Head of Central Tendering Committee in The University of Jordan
- 1976 - 1978 Consultant Engineer, Sigma Consulting Engineering, Amman, Jordan.
- 1975 - 1978 Ministry of Public Works, Laboratory of Construction Materials, Amman, Jordan.

## **Experience with Ministry of Higher Education and Research**

- Two-year membership of "Committee for Legalizing Foreign Engineering Certificates"  
" لجنة معادلة الشهادات الهندسية."

- Member of tens of accreditation committees to several universities

### **Awards**

- A prize winner of “Excellence in Safety and Occupational Health for the year 2001” granted by the General Social Security Establishment of Jordan for the paper “Construction Safety Management in Developing Countries: A Case Study of Jordan”.

### **Courses Taught:**

- Project Management (MSc level) ○ Project Appraisal (MSc level) ○ Project Management and Resource Planning (MSc level)
- Special topics (MSc level)
- Scheduling Techniques (MSc level)
- Financial Management and Procurement (MSc level) ○ Advanced Engineering Economy (Msc level), ○ Construction Management (Msc)
- Construction Scheduling & Management (Bachelor level) ○ Construction Methods & Equipment, (Bachelor level) ○ Project management, (Bachelor level) ○ Specifications & Contracting, (Bachelor level) ○ Engineering Economy, (Bachelor level) ○ Theory of Structures 1. ○ Building Materials.
- Building Materials Lab.

### **Training Courses**

- A main lecturer in many training courses, both inside and outside the University of Jordan. The major topics were: project feasibility studies and financial evaluation, construction management, tender evaluation, construction project planning, and project scheduling.
- Prepared course material in *Project Management* (in English) for Water Authority engineers.

### **General**

- Two-year membership of “committee to legalize certificates of foreign university”, The Ministry of Higher Education, Amman, Jordan.
- Attending several conferences, workshops, symposiums related to civil engineering in general, and to construction industry in particular.
- A member of committee in preparing course outline for community colleges in Jordan  
□ A member of several different committees in the University of Jordan.
- A member of a higher committee to manage the construction of the Faculty of Education 1992 - 1995.
