COMMITTEES

1. Several committees at The University of Jordan (UOJ) from Aug. 2016 –Sep. 2018, including the:
 - Deanship Council
 - Financial Committee
 - General Tenders Committee
 - Center for Consultation & Studies Committee
 - Water, Energy & Environment Center
 - Information Technology Center
 - University Campus Committee

2. The Higher Council for Science & Technology Executive Committee, Sep 2016 – Sep 2017.
3. Member, I.E. Graduate Studies Committee, University of Jordan, Faculty of Engineering & Technology, 2014/2015 & 2015/2016.
4. Member, The Project Management Institute Jordan Chapter (PMIJO), 1/2008 –1/2009.
5. Member of the Editorial Board, Dirasat/Scientific, University of Jordan, Academic Year 2007/2008 & 2008/2009.
6. Head, I.E. Graduate Studies Committee, University of Jordan, Faculty of Engineering & Technology, Academic Year 2007/2008.
7. Member, Graduate Studies Committee, Industrial Engineering (I.E.) Department, University of Jordan, Faculty of engineering & Technology, Academic Year 2007/2008.
8. Member, Faculty of Graduate Study Scientific Committee, University of Jordan, Academic Years 2007/2008.
9. Member of the Editorial Board, International Journal of Industrial and Systems Engineering, Inderscience Enterprises Ltd., UK, since 2006.
10. Member of the organizing committee, The Society of Friends of Scientific Research at Universities of Jordan 2nd Conference and the Chairman for the “Scientific Research in Utilizing Natural Resources” Sub-Committee, Amman, Jordan, 2005.
11. Member, Jordan Society for Quality (JSQ) Board of Directors, Amman, Jordan, 2004.
12. Chapter Advisor, Institute of Industrial Engineers (IIE), UOJ Chapter, Amman, Jordan, 2004.
13. Steering Committee Member, the Euro-Jordanian Action for the Development of Enterprise (EJADA) Board of Directors. A joint European Union (EU) industrial modernization initiative, financed by the EU. The primary objective of EJADA with a budget of 45 million Euros, is to enhance the productive capacity of Jordan’s private sector, targeting particularly small and medium sized enterprises (SME’s). The program also focuses on facilitating the implementation of Euro-Mediterranean Free Trade Agreement. It is comprised of four interacting components which between them cover the key elements of success for an industrial modernization programme; technical direct support to SME’s, financial support schemes, vocational training & HR development, and policy support & institutional strengthening. 15/8/2001 – 30/6/2005.
14. Chairman, Award Committee for the Jordan Quality Society (JQS), 2000/2001.
15. Chairman, Outreach Consultation Unit and Continuing Education Committee, 9/1998 – 9/2001.
16. Member, organizing committees for the 1st Industrial Engineering conference, IE Department/UOJ (IIEC 01), 4/2000-9/2001.
17. Member, the Accreditation Committee for the Industrial Engineering Department at the Private Applied Science University, Amman, Jordan, April 2000.
18. Member, the International Organizing Committee for the 26th International Conference on Computers & Industrial Engineering, Melbourne, Australia, December 1999.
